

# Presentation of ITC Logistic Romania

Last update: September 2025

## About ITC

### Keep moving with us!

We are the right freight forwarder for companies which want to open up new markets. As a global player we provide you with our expertise in handling international freight.

Considering the type of goods, quantity, size, weight and other specific relevant whereabouts, we will find a tailor-made solution to suit your requirements.

ITC Logistic would be pleased to take over the responsibility for the entire service chain.

Starting with acquisition and goods management, offering value-added services, distribution as well as return logistics.

Our specific solutions will help you cope with the requirements of your business.

## ITC Quality Principles

- » We deliver quality
- » We deliver on schedule
- » We work with loyal and experienced employees, we constantly qualify
- » We are solidly financed
- » We are aware of the value of a personal service
- » We say what we do and we do what we say

## Our Focus

- » Worldwide Long-Term Cooperation with Partners
- » Development and Establishment of Logistical Concepts
- » Optimizing of Quality in Close Collaboration with Customers
- » Strategically, Future-Oriented Partnerships
- » Constant Growth
- » Reduction of CO<sup>2</sup> Emissions (Green Logistics)
